

## 2011 Group Prices

### Group Leaders go free!

The group prices below outline the costs of our Snowdonia Adventure Courses.

Of course, we expect groups to be supervised by teaching staff during their stay in Snowdonia – these staff can all join our adventure courses free of charge, subject to confirmation of teacher-pupil ratios. We normally offer a free place for one staff member per every eight paying students.

All course fees include coaching and leadership, provision of clothing and equipment and specialist safety gear.

If you wish to make a booking, please call us to discuss your requirements and preferred dates.

### Insurance:

The Surf-Lines company has public and employers' liability insurance of £5 million. Your booking does not include personal travel or accident insurance – please contact your insurer for details of available cover.

### Risk Assessments

Copies of our risk assessments and operating procedures are available to download on line at <http://www.surf-lines.co.uk/adventure/safety.asp> If you have county specific forms that need completing, please contact a member of the team

### Medical Declaration Forms

All participants must complete a medical declaration form before taking part in any activity. If you already have your own as part of your own standard operating procedures, we are more than happy to use these. Simply bring the forms with you on the day so that our staff can review the forms and be made aware of any medical conditions. If you would like to use our standard form, then please download a copy from the above web address and complete before arrival.
